

# International Journal of Structural and Civil Engineering Research

## CONTENTS

---

---

### Volume 5, Number 4, November 2016

#### Concrete Structure Design

- Confinement Effect of Concrete with Carbon Fiber Sheet Reinforcement Under Compressive Loading.....250  
*Roy Reyna, Taiki Saito, Tomoya Matsui, and Kazuhiro Hayashi*
- Shear Capacity of Post-Tensioning Pre-Stressed Concrete Beams with High Strength Stirrups .....258  
*Hye-Sun Lim, Byung-Koo Jun, Dong-Ik Shin, and Jung-Yoon Lee*
- Torsional Behavior of Reinforced Concrete Beams Predicted by a Compatibility-Aided Truss Model.....265  
*Seung Hoon Lee, Seok-Kwang Yoon, Sung Hyun Yoon, Yoon Ki Hong, and Jung-Yoon Lee*
- Use of Recycled Tire in Concrete for Partial Aggregate Replacement .....273  
*Muhammad B. Waris, Nehal N. Ali, and Khalifa S. Al-Jabri*

#### Construction Materials

- Evaluation of the Long-Term Deflection Performance of Resilient Materials in Floor Floating Systems .....277  
*Yoon Ki. Hong, Jung Min. Kim, Dong-Ik. Shin, Jin Koo. Kim, and Jung-Yoon. Lee*

#### Hydrogeological survey

- Numerical Investigation of Flow around Groins in Barotropic Condition .....285  
*Mojtahedi Alireza, Omdehghiasi Hamed, Lotfollahi-Yaghin Mohammad Ali, and Hokmabady Hamid*
- Liquefaction Susceptibility Plot of Gerona, Central Luzon Philippines .....292  
*Edwin L. Dela Vega*
- An Assessment of Predominant Errors Posing Vulnerability to Malaysian Landslides.....296  
*Sadaf Qasim, Indra Harahap, Syed Baharom, Danish Kazmi, and Saima Khan*

#### Architectural Design and Maintenance

- Statistical Damage Detection Approach in SHM Based on Error Prediction Model .....300  
*Kundan Kumar, Prabir Kumar Biswas, and Nirjhar Dhang*
- Response of High-Rise Buildings under Long Period Earthquake Ground Motions.....308  
*Taiki Saito*
- Economic Parameters and Efficiency of Green Residential Buildings in Pune, India.....315  
*Anshul P. Gujarathi and Vasudha Gokhale*
- Life Cycle Assessment of Post Disaster Prefabricated & Container Housings.....323  
*A. Atmaca and N. Atmaca*

#### Project Management

- An Application of the Ubiquitous Forms Solution for the Work Document at a Construction Site .....329  
*Ginam Yang, Daewon Kim, and Gwang-Hee Kim*

Factors Influencing Construction Safety Equipment Selection .....	333
<i>Thanwadee Chinda</i>	
<b>Urban Planning and Development</b>	
Urban Decentralisation as a Conversion Process for Restoring Structures of Urban Space.....	337
<i>Martin Brabant</i>
